

## Laserforce Prague's Cup Rules

### Organization of the tournament:

**Organizer:** Mercuria Laser Game Prague ([www.mercurialaser.cz](http://www.mercurialaser.cz))

**Game mode:** Team deathmatch

**Members in the team:** 4 players in the team (substitution is allowed but the player can play only in one team)

**Date:** 14. 9. - 15. 9. 2024 (at Saturday will play groups, Sunday elimination part/play-off – all teams play both days)

### Venue:

Saturday 14.9.: Braník arena (Lighthouse building – Jankovcova 1569/2c, Prague 7)

Sunday 15.9.: Holešovice arena (Branik Bewery – Údolní 212/1, Prague 4)

**Capacity of the tournament:** The capacity of the tournament is 72 teams.

**Arena capacity:** The arena has a capacity of 40 players, with up to 6 teams playing at the same time.

**Game schedule:** Each team will play 6 games with 12 minutes in two days (3 games per day) and every team can play bonus games on both days. The tournament will be scheduled before the tournament starts so that, if possible, teams from the same arena do not meet.

**Practice for participants:** Each team can visit the arena before their first game but maximum 10 minutes before their first game. There will also be 2 practice games before the tournament starts that teams will have the opportunity to sign up for.

### Game rules:

Teams are going to play Team deathmatch without team protect – so you can hit your teammate.

Running is allowed, laying isn't. Spawnkilling is allowed.

Everyone plays on their own card with Level 1 (will be set by the staff from Mercuria).

After the shot is the player deactivated for 5 seconds. Gun and battlesuit respawn is set at the same time.

In the arena will be always activated 3 different targets. No beacons will be activated.

In the case of controversial situations, the organizer always decides.

## Applications

**Age:** The age range of the players is 12-120 years. A player under the age of 18 can play only with the confirmation of the parents.

**Participation:** Each member of the Laserforce family (the card holder) can participate, teams play for their arenas. Each arena has the ability to send an unlimited number of teams. We are happy to welcome even amateur players who want to have fun.
